

HOUSE BILL 2190

By Kernell

AN ACT to amend Tennessee Code Annotated, Title 47,  
Chapter 18, relative to consumer protection.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 47-18-103, is amended by adding the following language as a new, appropriately designated subsection:

( ) "Radio frequency identification tag" or "RFID tag" means a microchip that is attached to an antenna and is able to transmit identification information by means of technologies that use radio waves to automatically identify individual items.

SECTION 2. Tennessee Code Annotated, Section 47-18-104(b), is amended by adding the following language as a new, appropriately designated subsection:

( ) Selling any good containing a radio frequency identification tag that does not bear a label on the good or the good's packaging that:

(A) States, at a minimum, that the good or the good's packaging contains or bears a radio frequency identification tag, and that the tag can transmit unique identification information to an independent reader both before and after purchase; and

(B) Is in a conspicuous type-size and location, in print that contrasts with the background against which it appears.

SECTION 3. This act shall take effect July 1, 2007, the public welfare requiring it.
